2 CBM001 Becomes CBM0C1

3 CBM004 Retires, CBM0CS Begins

4 CBM0E1 Changes

5 CBM0C8 For Universities

# Streamlined Reporting Overview

The changes are a continuation of recommendations made a few years ago that led to the creation of the CBM00S.

By retiring the CBM004, THECB removes a long-standing issue with the CBM001 and CBM004 needing to report matching credit hours.

The CBM0CS replaces the CBM004 and the credit hour data on the CBM001.

CBM reporting manuals are found here:
